# INTRODUCTION

Creativity is an unavoidable necessity for all fields of study and industry, and it is important for all of us to recognize its high value in the whole society based on knowledge. This year, OFEED organize the 1st edition of the International Salon IWA 2019, the Innovation Week in Africa which will be held in Rabat - Morocco.

This Event provides extraordinary opportunities for inventors, innovators and researchers to express their creativity and innovative capacity to invent with their own innovative ideas, recognizing the vital importance of global innovation And to encourage the inventors' initiative to continue to invent.

- **Registration period:** from October to **30<sup>TH</sup> NOVEMBER, 2019**
- **Registration method:** fill the online participation form
- **Event venue:** Rabat, Morocco
- **Event Website:** <http://www.ofeed.ma/registration>

## HOW TO PARTICIPATE

**STEP 1:** for each invention, complete the online participation form available at :  
<http://www.ofeed.ma/registration>

**STEP 2:** Send your payment receipt to [contact@ofeed.ma](mailto:contact@ofeed.ma)

- The organizer will respond back to you with a reply to confirm your email submission and guide for next registration procedures

We highly acknowledge the fact that it is quite difficult for overseas individual/group applicants to join the competition on site in person. Thus, we provide a convenient way to participate that can allow you to join IWA 2019 from home!

**Indeed, Awarded participants who are not able to attend the award ceremony will receive their awards by post mail.**

# EVALUATION & AWARDS

## 1. Commissioins And Judges

- A. Members of the Jury of the Organizing Committee
- B. High experienced and Awarded Inventors
- C. Professors in Universities, experts and Intellectual Property professionals.

## 2. Evaluation standards of the inventions

- A. Evaluation method: the evaluation depends on the presentation of the inventions and the information provided by the inventor in the participation form.
- B. Evaluation Criteria: The most important part of the score is determined by the "main idea" of invention. However, creativity, potential for technological advancement, practical feasibility and the marketability of the invention will also be assessed to constitute the overall mark.

## 3. Evaluation conditions

Ideas copied on projects that already exist will automatically be disqualified from the competition

## 4. Awards

- Organizers medals (Gold, Silver, Bronze and Special Awards),
  - Organizers trophies (Grand prize, Semi Grand prize, Best invention by categories).
  - IFIA Best Invention prize,
  - International partners Special Awards
- A. Gold, Silver and bronze medals are issued on the basis of the assessment of the overall rating
  - B. Prizes are presented in the form of diplomas, medals, plaques or trophies according to the prize classification
  - C. Other prizes not mentioned in this guide may also be issue
