INPEX® 2017 • EXHIBIT YOUR INVENTION • CALL +1-412-288-1343

## CHECK OUT ALL OF THE EVENTS, OPPORTUNITIES AND SERVICES THAT ARE INCLUDED IN YOUR EXHIBITOR BOOTH PACKAGE!

INPEX provides a forum for inventors, entrepreneurs and intellectual property owners to exhibit their inventions, share ideas and attempt to make contacts with companies interested in new products. INPEX is not just a trade show, it is an experience! Take advantage of all the opportunities offered to INPEX exhibitors.

### BOOTH SPACE

By purchasing a booth at INPEX, you will have the opportunity to pitch your invention to many of the nearly 1,000 company representatives walking the show floor looking for new products. From your booth, you will be able to network with companies and fellow exhibitors in an attempt to make the contacts from the U.S. and abroad that you will need to pursue your invention.

### TROPHIES, MEDALS & PRIZES

Every invention and new product idea at INPEX is eligible to participate in the International Awards Program.

- Awards presented on Thursday, June 15, 2017 at the awards ceremony
- Judged on a points system by an International Jury
- Winners determined on the basis of usefulness, creativity, overall appeal and marketability
- Winning an INPEX award may add credibility to your idea and may also increase the possibility of exposure through resulting publicity
- Three Cash Prizes of \$7,500, \$3,000 and \$2,000
- Gold medals in each product category
- Special Awards and Trophies

### PRODUCT SEARCHES

In addition to the hundreds of companies walking the show floor during industry hours, INPEX also offers the opportunity for exhibitors to participate in private appointments with select companies looking for new products. These companies attend INPEX to search for products as possible additions to their existing product lines and provide valuable feedback to exhibitors about their inventions. INPEX will schedule appointments for exhibitors who have appropriate products. Here's a look at last year's product-search companies:

*\*Please check [www.INPEX.com](http://www.INPEX.com) for the most up to date list of product search companies for INPEX 2017*

### PITCHING OPPORTUNITIES

New for 2017, INPEX will also offer a number of live pitching opportunities for exhibitors. Many exhibitors will be given the chance to pitch their product on the stage to industry representatives in front of a live audience and receive feedback from those representatives. Some qualifications may apply to receive an appointment.

DAVID L. LAWRENCE CONVENTION CENTER • PITTSBURGH, PA

## INPEX INVENTORS RESOURCE CENTER

Don't miss an opportunity to meet one-on-one with business professionals to discuss topics pertinent to your particular invention needs. Located on the show floor and available by appointment during show hours. Be sure to sign up for an appointment with these companies each morning when the show floor opens.

### Participants have included:

- Small Business Development Centers
- Direct Response Retailers
- Venture capital companies
- Manufacturers
- Marketing and Product Branding Professionals
- And others...*

## NETWORKING

As an INPEX exhibitor, you will be in the presence of inventors from around the world. Since inventors share a lot of the same experiences and goals, building relationships with your peers can be an enjoyable and informative experience. Many past exhibitors have told us that networking with other inventors was their favorite aspect of the show. Sometimes these meetings can even lead to friendships or business partnerships that last long after the show has ended.

**Be sure to attend the International Exhibitor Reception/Foreign Innovator Awards Presentation Wednesday, June 14th at 5:15PM.**

## SIGHTSEEING

Recently named one of the "Best Places to Travel in 2016," be sure to allow yourself time to check out all that Pittsburgh has to offer. Sightseeing tours can be set up through the INPEX travel agent or contact your INPEX representative for more information.

## GEORGE FOREMAN INVENTORS UNIVERSITY

Seminars, presentations and panel discussions provide you with information that may prove helpful in pursuing your invention. Seminar Schedule: Tuesday, Wednesday, Thursday mornings, June 13-15.

### Topics include:

- Licensing and Intellectual Property
- Media Relations
- Retailing
- Prototyping
- Offshore Manufacturing
- Direct Response TV Marketing
- Inventing in the corporate world

## INPEX EXHIBITOR TESTIMONIALS

"I can't tell you how much the INPEX show has helped launch multiple deals for our product. The staff at INPEX is professional and helpful, and I would recommend this show to any new inventors."

— **Joseph Watrach, USA**

"A great convention with a lot of learning. The courses were great and the Resource Center was a massive bonus. Learned a lot and really enjoyed the experience."

— **Mick Kane, Australia**

"The experience at INPEX was unique, and I've obtained valuable information. INPEX team members welcomed me from the first moment, and they were very helpful. The most significant benefits from INPEX were the networking and the inventors that I've met from all around the world in my field and the future cooperation that I'll gain. It was an unforgettable experience indeed."

— **Dr. Najwa H. Samrgandi, Saudi Arabia**

"We have been going to INPEX for nearly a decade. Each time we see growing participants, exciting new products, promising business matching sections, industrialists, business people and entrepreneurs. INPEX motivates its participants to be sustainable innovators."

— **Jose Rajan**
