

## **TIE On-Line Program**

1. Due to the Covid-19 pandemic still impacting international travel, currently all inbound travelers are required to undergo quarantine for 5-14 days according to the laws and regulations in Taiwan. Therefore, the Organizer (TAITRA) would like to propose alternative plan, On-Line Program, for International Exhibitors who cannot fly to Taiwan during TIE show dates.
2. The Show Organizer will consider Applicant's requested booth size and rate to provide suitable video facilities for online meeting and product display instead of the original standard booth partition and equipment.
3. Applicants can choose following methods to present their exhibits:
  - (1) Online video display. Applicants send video program to Organizer and Organizer will play the video on AV equipment on show ground.
  - (2) Combination of online video and on-site products display. Applicants send video program and ship exhibits to Organizer and Organizer will show the video on AV equipment and display exhibits on show ground. All shipping cost will be covered by Applicants.
4. Online Judging Process of Taipei Invention Award:
  - (1) Pre-recorded Video Presentation. Applicants provide pre-recorded video presentation to Organizer and Organizer will play it on AV to show to Commissioners.
  - (2) Combination of Pre-recorded Video Presentation and On-line Meeting. Applicants provide pre-recorded video presentation to Organizer and Organizer will play it on AV to show to Commissioners and arrange an Online Meeting on September 24 for Applicants and Commissioners to discuss. Meeting schedule will be organized in advance and Applicants should follow the schedule to present online.
5. Reach the potential Taiwanese Buyers:
  - (1) Organizer will arrange staff to take care of Applicants Video presentation and exhibits during the show period.
  - (2) The staff will collect visitors business card or contact information for Applicants during the show period.
  - (3) Organizer will arrange Online Procurement Meeting on September 25 for Applicants. Applicants should provide target potential Taiwanese Buyer list to Organizer by August 24 2020 and Organizer will try to contact them to arrange Online meetings for both parties.
6. The Organizer will broadcast related activities in online streaming via the TIE website.
